

Wireless Bluetooth speaker DIGITS ONE XD

wilson

POWERFUL BLUETOOTH SPEAKER IN POCKET SIZE FORMAT

Wilson ONE xD is equipped with dynamic bass technology and a high-quality driver with a magnet to increase the power from the miniature speaker. You will be amazed at how much great sound comes out of such a portable speaker.

TRUE WIRELESS CONNECTION FOR STEREO SETUP

Using Bluetooth technology, the Wilson ONE xD portable speaker can connect and work with the digital voice assistant of your choice. What's more, the True Wireless connection means that you can pair two ONE xD speakers to create a miniature and portable stereo system.

WATERPROOF AND WITH LONG PLAYING TIME

The Wilson ONE xD can be the perfect speaker for a music lover of almost any age. Highly durable and IPX5-rated waterproof, it boasts up to 12 hours of run time on a single full charge of the built-in battery.

PERFECT COMPANION FOR ANY TRIP

It is not afraid of rain and splashes, dust and other elements that mother nature can surprise you with.

READY TO PLAY WHILE YOU ARE ON THE GO

The Wilson ONE xD portable speaker delivers powerful sound in a housing small enough to fit in your hand. It comes with a practical and stylish strap so you can wear it on your wrist or clipped to your backpack and listen to music on the go.

Enclosure: Black
Grille: Aluminum black
EAN: 5902602873066

OPTIONAL STEREO PAIRING

You can reach stereo sound from a set of two identical units via pairing functionality (option)
